

GREEN CHAMPIONS

Green Champions offers challenging employee volunteering opportunities. Take part in a practical conservation task to make significant improvements to local green spaces and the wider countryside.

- highly rewarding team volunteering where the difference you make is clear
- tailor made opportunities at a range of local sites including woodlands, coast, footpaths and cycleways
- tasks include woodland management, footpath improvements and vegetation clearance
- learn or improve your outdoor skills - there's always time for a kelly kettle challenge!

The Green Team

connecting people with nature

Our wide range of programmes for children and young people from pre-school to 18 years old, provide positive and enjoyable experiences: spending time with others, being active in the outdoors and developing new skills.

Working together we make improvements to the ecology and bio-diversity of the environment and for the benefit of local people. Our projects help increase understanding of the natural world and our part in it.

We support participation in DofE and the John Muir Award.
